Speakers Bureau Event

Commissioner Enrique Zuniga to Address American Council of Engineering Companies of Massachusetts *Massachusetts Gaming Commission Continues Community Outreach via Speakers Bureau and Participation in Statewide Speaking Engagements*

WHO: *Massachusetts Gaming Commission* Commissioner, Enrique Zuniga; members of the *American Council of Engineering Companies of Massachusetts (ACEC/Massachusetts)*, members of the *Massachusetts Private Sector Committee*.

WHAT: Commissioner Enrique Zuniga will address members of the ACEC/Massachusetts and the Massachusetts Private Sector Committee. Commissioner Zuniga will update attendees on the latest news from MassGaming, provide an update on the overall progress of the licensing process, as well as the licensing timeline.

Through the establishment of MassGaming's Speakers Bureau, the commission is participating in numerous statewide speaking engagements to keep the public informed of the schedule and process, increase community awareness of the roles and responsibilities of the commission, encourage community involvement and solicit valuable feedback to facilitate an all-inclusive, decision-making process.

WHERE: Engineering Center, 1 Walnut Street, Boston, MA

WHEN: **Tuesday, October 8, 2013 at 8:00am**

INFO: As the commission strives to ensure that its decision-making and regulatory systems engender the confidence of the public and participants, the MassGaming Speakers Bureau provides an important face-to-face opportunity to communicate directly and facilitate a dialogue with its vast constituency. In order to create the most efficient process, it is suggested that requestors have a minimum audience of **30 attendees** and make the request **30 days in advance**. To facilitate a Speakers Bureau request, the speaker request form is easily accessible on MassGaming.com.
