RE: *Immediate Postponement Request of the Massachusetts Gaming Commission
Public Meeting to Determine Gaming Establishments for Region A*

Dear Chairman Crosby and Massachusetts Gaming Commissioners:

The City of Boston (the “City”) requests that the Massachusetts Gaming Commission (the “Commission”) postpone its public meeting scheduled to be held May 1, 2014 at 10:30 a.m., to:

- Determine the premises of the gaming establishment for which Mohegan Sun Massachusetts, LLC seeks approval in its RFA-2 application; and
- Determine the premises of the gaming establishment for which Wynn MA, LLC seeks approval in its RFA-2 application.

The City respectfully requests this postponement of no less than seven (7) days, in order to determine what action, if any, the City is required to take in accordance with the gaming applicants and applicable law, and other relevant provisions of G.L. c. 23K (the “Gaming Act”); and the City makes this request so that the City has an adequate opportunity to review new information which may be forthcoming from the applicants and evaluate such information accordingly.

The City would appreciate receiving your concurrence to its request for a postponement today. Thank you for your immediate attention to this important matter of public interest.

Very truly yours,

Elizabeth Dello Russo
