The Massachusetts Gaming Commission Votes to Award MGM Springfield with a Category 1 Sports Wagering Operator License

During a public meeting of the Massachusetts Gaming Commission (MGC) where MGM Springfield presented and Commissioners reviewed that entity's application for a sports wagering operator license, Commissioners voted unanimously to award MGM Springfield with a Category 1 sports wagering operator license.

The MGC set a goal to launch retail sports wagering at the three casinos in the Commonwealth, which are eligible for Category 1 sports wagering licenses, in late January.

MGM Springfield now must obtain an operations certificate and meet additional conditions before bets can be accepted. More information on a universal launch day for retail sports betting will be released in the coming weeks.
