Meeting Notification

The Massachusetts Gaming Commission to hold Public Meetings

Topics include: Legal Regulations, Farewell to Executive Director Karen Wells, & more

WHO: Members of the *Massachusetts Gaming Commission* including **Chair Cathy Judd-Stein** and **Commissioners Brad Hill, Jordan Maynard, Eileen O'Brien, and Nakisha Skinner**

WHAT: The Massachusetts Gaming Commission will hold **public meeting #465 and public meeting #466** on **Wednesday, July 12, 2023 at 10 a.m. and 3 p.m., respectively.**

Wednesday's first open meeting will begin at 10 a.m. with the Chair's call to order. Following that, Executive Director Karen Wells will provide an administrative update.

The Commission will then discuss three legal regulations:

- 205 CMR 222: Capital Investment and Monitoring of Project Construction
- 205 CMR 239: Continuing Disclosure and Reporting Obligations of Sports Wagering Licenses
- 205 CMR 256.01: Sports Wagering Advertising

Commissioner Updates are expected to follow, where the MGC will say farewell to Executive Director Wells on her last day with the Commission.

Later that afternoon, public meeting #466 will convene at 3 p.m. After the meeting is called to order, the Commission is expected to move into Executive Session for the Interim Executive Director contract discussions.

There is also time allotted near the end of both meetings for any other business that the Chair did not reasonably anticipate at the time of their postings.

The Commission reserves the right to vote on these or other matters during the meetings.

For a complete list of agenda items and anticipated votes, view the official Meeting Notification and Agenda [here](#) and [here](#). A **LIVE STREAM** will be available at MassGaming.com. Community members are also invited to follow along with live meeting updates by connecting with the Commission on Twitter, [@MassGamingComm](https://twitter.com/MassGamingComm).

Please note that the Commission will conduct this public meeting remotely utilizing remote collaboration technology. Use of this technology is intended to ensure an adequate, alternative
