## Sports Wagering Revenue

EBH, MGM, and PPC are licensed as Category 1 Sports Wagering Operators, which allows them to operate a retail sportsbook at their respective property. Category 1 operators are taxed on 15% of TSWR.

Bally Bet, BetMGM, Caesars Sportsbook, DraftKings, Fanatics Betting & Gaming, FanDuel, and theScore Bet are licensed as Category 3 Sports Wagering Operators, which allows them to operate a mobile or online sportsbook. Category 3 Sports Wagering Operators are taxed on 20% of TSWR.

Of the total taxed amount for all operators, 45% is allotted to the General Fund, 17.5% to the Workforce Investment Trust Fund, 27.5% to the Gaming Local Aid Fund, 1% to the Youth Development and Achievement Fund, and 9% to the Public Health Trust Fund.

To date, the Commonwealth has collected approximately **\$452.95 million** in total taxes and assessments from licensed operators' sports wagering operations since sports wagering began in person on January 31, 2023, and online on March 10, 2023.

When an operator's adjusted gross sports wagering receipts for a month is a negative number because the winnings paid to wagerers and excise taxes paid pursuant to federal law exceed the operator's total gross receipts from sports wagering, the Sports Wagering Law allows the operator to carry over the negative amount in tax liability to returns filed for subsequent months.
