

## 2023 Public Safety Grant Application

Bid No. BD-23-1068-1068C-1068L-81256

All completed applications must be sent by January 31<sup>st</sup> to be considered for funding for the 2023 Grant Round. Please submit this completed form as well as any relevant attachments to [MGCCMF@Massgaming.gov](mailto:MGCCMF@Massgaming.gov).

For more detailed instructions as well as the 2023 Application Guidelines please visit <https://massgaming.com/about/community-mitigation-fund/>

I. Project Summary
<b>Legal Name of Applicant:</b> City of Everett Fire Department
<b>Project Name (Please limit to 5 words):</b> EFD Training Grant
<b>Amount Requested:</b> \$45,000
<b>Brief Project Description (approx. 50 words):</b> <i>Please use this space to provide a high-level overview of what your project entails.</i>  We would like to utilize this grant to obtain training on multiple subjects which are hazards that we are faced with at the Encore Casino. These subjects will include high rise firefighting, Below grade firefighting, Crowd management emergencies and li-ion battery fires.

II. Applicant Contact Information
Please provide below the manager for this grant and any other individuals you would like to be copied on all correspondence.
<b>Grant Manager:</b> Deputy Chief William Hurley
<b>Email Address:</b> <a href="mailto:william.hurley@cityofeverett.org">william.hurley@cityofeverett.org</a>
<b>Telephone Number:</b> 617-394-2349
<b>Address:</b> 384 Broadway Everett, Ma 02149
<b>Contact II:</b> Captain Derek Perretti
<b>Role:</b> Training Captain
<b>Email Address:</b> <a href="mailto:derek.perretti@cityofeverett.org">derek.perretti@cityofeverett.org</a>
<b>Telephone Number:</b> 617-894-5257
<b>Address:</b> 384 Broadway Everett, Ma 02149
<b>Contact III:</b>
<b>Role:</b>

III. Detailed Project Description & Mitigation
1) Please describe in detail the impact that is attributed to the operation of a gaming facility. Please provide documentation or evidence that gives support for the determination that the operation of the gaming facility caused or is causing the impact (i.e. surveys, data, reports).
<p>While it was anticipated that there would be an obvious increase in call volume to this facility, what was not anticipated was the training aspect. We have many hazards which are associated with this facility and we would like to be sure that our members are optimally trained for emergencies which may occur. To ensure that we have the proper training for this type of structure and contents within, we need to train differently than we would normally have to. High rise firefighting by itself is a unique hazard and involves being highly trained. Also, below grade firefighting can also be considered a unique hazard to this building. As for crowd management emergencies, this building has the highest occupancy load in the city and if an emergency were to occur, it could impact us all in a very negative way without the proper training. Finally, lithium ion battery fires do need to be considered as well due to their destructive nature, especially in parking garages with charging stations. This training will also be helpful twofold as this facility has an energy storage system on property.</p>
2) <i>(If applicable)</i> Please explain how this impact was not anticipated in the Applicant's Host or Surrounding Community Agreement.
<p>The amount of training of many new members may not have been anticipated by EFD when the host agreement was signed. Since that time, we have had a turnover of approximately 30 new members. Many of the senior members were lost due to retirement, injury or death which left us with many new members to train. While these members are very capable, there is much more training that we can provide to ensure this facility receives the best response possible from their fire department. Since opening, EV parking has increased and also, an Energy storage system has been added. Due to these increased hazards, training is vitally important.</p>
3) Please describe what the Applicant is proposing and how the mitigation request will address the impact indicated.
<p>Our proposal is that, if given this grant, then we will be able to proactively train our members for the many special hazards which exist in this facility. Upon completion of this training, our members will have a deeper knowledge of how exactly to handle these unique situations. This will make for a safer environment for all involved, including our department and the facility itself. This will enable us to serve the patrons of this facility on a more advanced level.</p>

IV. Scope, Budget, and Timeline	
Applicant: <b>Everett Fire Department</b>	Vendor Code:
Total Amount Requested: <b>\$45,000</b>	Estimated Total Project Cost: <b>\$45,000</b>

Scope of Work
Please include below a breakdown of the proposed work. The project scope should be sufficiently detailed to allow the review team to understand the steps required for project completion.
<ul style="list-style-type: none"> <li>a. High rise firefighting</li> <li>b. Lithium ion battery fires</li> <li>c. Below grade firefighting</li> <li>d. Crowd management emergencies</li> </ul>

Proposed MGC Grant Budget			
Please use the following table to outline the budget of your project. Include any requests for proposals, quotes, or estimates that would quantify the costs associated with the mitigation as an attachment. In determining the funding request, please round up to the nearest hundred dollars.			
Timeline	Description of Purchase/Work	QTY	Budget
	High rise firefighting	1	\$15,000
	Lithium ion battery fires	1	\$10,000
	Below grade firefighting	1	\$10,000
	Crowd management emergencies	1	\$10,000
