

Notice of Intent Regarding License for Sports Wagering

The Massachusetts Gaming Commission (“MGC”) requests that entities intending to seek a license for sports wagering pursuant to G.L. c. 23N complete this notice of intent and return it by August 31, 2022. Notices may be e-mailed to mgcclerk@massgaming.gov.

Please note that returned notices, and the information contained therein, will be subject to the Massachusetts Public Records Law and may be published or released by the MGC.

This form is being requested for informational purposes only and to aid the MGC in understanding potential interest in licenses for sports wagering. This notice of intent is not to be construed as an application or request for a temporary license and does not bind the MGC in any way.

Any questions regarding the notice of intent may be e-mailed to mgcclerk@massgaming.gov.

GeoComply Solutions | Business Plan

GeoComply Solutions Inc. is a global leader in geolocation compliance technology. Since its launch, GeoComply has quickly become the iGaming industry's trusted solution for reliable, accurate and precise geolocation services. GeoComply's patented and proprietary geolocation solution is unparalleled in its level of accuracy and integrity, as well as in its depth of security and ease of implementation.

GeoComply's proprietary and highly adaptive technology has successfully met and exceeded all challenges put forth by North American regulators with record-high verification rates. Increasingly, GeoComply has been expanding its offering beyond its primary focus of geolocation compliance into areas such as payment and fraud analytics, and streaming media solutions.

GeoComply's IDComply is an integrated know-your-client (KYC) solution for the iGaming industry. IDComply is API-based and provides simple way for operators to query multiple vendors for both ID and age verification, which are mandatory checks that operators are required to perform on any new players signing up for their iGaming or sports betting platform.

Combining the power of iBeacons with GeoComply's robust geolocation technology, PinPoint was designed specifically for the gaming industry's unique requirements and offers the same real-time anti-spoofing and fraud benefits as our mobile and desktop Download solutions. Create customized virtual boundaries and restrict user access to a room, floor or zone of a gaming property within a few meters of accuracy.

GeoComply Solutions is currently licensed or an approved vendor in New Jersey, New York, Pennsylvania, Indiana, Connecticut, Illinois, Iowa, Tennessee, Colorado, D.C., Oregon, New Hampshire, Georgia, Mississippi, Rhode Island, Montana, North Dakota, West Virginia, Michigan, Virginia, Arkansas, Louisiana, Washington, Wyoming, Wisconsin, Arizona and Puerto Rico.

GeoComply also operates in Nevada and Delaware where geolocation vendor licensing is not required.
