**2. IMPACT DESCRIPTION/CONNECTION TO GAMING FACILITY**

**a) Please describe in detail the impact that is attributed to the operation of a gaming facility.**

The Western Massachusetts Correctional Alcohol Center, now known as the Western Massachusetts Recovery and Wellness Center (WMRWC), a regional correctional treatment center in the Commonwealth, operated by the Hampden County Sheriff's Department was forced to move after 29 years of operation at 26 Howard Street in Springfield due to this facility being within the physical footprint of the casino. The new location at 155 Mill Street in Springfield cost the HCSD a significant amount more than the original lease.

**b) Please provide documentation, specificity or evidence that gives support for the determination that the operation of the gaming facility caused or is causing the impact (i.e. surveys, data, reports)**

Attached to this application are the fiscal year 2022 lease payment schedule and the ten year lease agreement between the Division of Capital Asset Management and Maintenance and Mill Street Iconic, LLC.

**c) How do you anticipate your proposed remedy will address the identified impact?**

HCSD is requesting \$400,000 for fiscal year 2022 to offset the annual lease increase to the Western Massachusetts Recovery and Wellness Center. This will directly remedy the impact of the lease offset as the cost of the lease offset is not accounted for by any other funding source.

**3. PROPOSED USE OF SPECIFIC IMPACT MITIGATION FUNDS. (Please attach additional sheets/supplemental materials if necessary.)**

**a) Please identify the amount of funding requested.**

The lease assistance is requested for fiscal year 2022 in the amount of \$400,000.00.

**b) Please identify below the manner in which the funds are proposed to be used. Please provide detailed scope, budget and timetable for the use of funds.**

This application is being submitted as per the 2021 Community Mitigation Fund BD-21-1068-1068-C-1068L-56499. The Specific Impact Grant states "in 2016 the Commission awarded the Hampden County Sheriff's Department funds to offset increased rent for the Western Massachusetts Correctional Alcohol Center". HCSD worked with the MA Division of Capital Asset Management and Maintenance (DCAMM) to develop a RFP which was sent out to bid. The new accepted bid sited the facility to 155 Mill Street, Springfield MA. Our original rent at the Howard Street Location (now in the heart of the casino campus) was \$666,267.00 including utilities. The lower than market rate was due to the length of tenant stay at the original site (29 years). The current HCSD budget does not reflect this increase. The 10 year lease at the Mill Street address cost HCSD \$11,820,588.00 from December 2016-December 2026.

**c) Please provide documentation (e.g. - invoices, proposals, estimates, etc.) adequate for the Commission to ensure that the funds will be used for the cost of mitigating the impact from the operation of a gaming establishment.**

Attached to this application are the fiscal year 2022 lease payment schedule and the ten year lease agreement between the Division of Capital Asset Management and Maintenance and Mill Street Iconic, LLC.

**d) Please describe how the mitigation request will address the impact indicated.**

The requested \$400,000.00 for fiscal year 2022 will be used to offset the increase in the annual lease to the Massachusetts Recovery and Wellness Center.

**e) How will you provide the data for reporting? How will you measure the effectiveness of the proposed project in mitigating impacts?**

HCSD will submit quarterly expenditure reports unless earlier reporting is specified by the Massachusetts Gaming Commission. HCSD will strive to meet whatever documentation is required.

**4. RELEVANT EXCERPTS FROM HOST OR SURROUNDING COMMUNITY AGREEMENTS**

a) Please describe and include excerpts from any relevant sections of any Host or Surrounding Community Agreement.

N/A

b) Please explain how this impact was either anticipated or not anticipated in that Agreement.

N/A

**5. INTERNAL CONTROLS/ADMINISTRATION OF FUNDS**

a) Please provide detail regarding the controls that will be used to ensure that funds will only be used to address the impact.

HCS D will provide documentation that funds are only being used to pay the lease offset.

b) Will any non-governmental entity receive funds? If so, please describe. If non-governmental entities will receive any funds, please describe what reporting will be required and how the applicant will remedy any misuse of funds.

No non-governmental entity will receive funds.

**6. CERTIFICATION BY MUNICIPALITY/GOVERNMENTAL ENTITY**

Re: Mitigation Guidelines 2020

Dear Massachusetts Gaming Commission (MGC),

The Commission will begin its review of the mitigation guidelines in the upcoming weeks. The Hampden County Sheriff's Department (HCSD) will apply for Fiscal Year 2021 assistance, and I feel it is my responsibility to notify you of my intentions regarding the community mitigation application. HCSD received a \$2.0 million award over 5 years from the Commission due to being one of the very few neighbors truly displaced by the impending construction zone. I ask the MGC to continue supporting HCSD for the length of the initial lease for the Western Massachusetts Recovery Wellness Center (WMRWC).

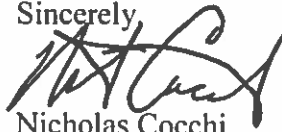

The award of a casino license in Western Massachusetts authorized MGM Springfield to conduct its business in the City of Springfield. The construction project encompassed a majority of the Howard Street buildings as well as surrounding blocks. This project ultimately displaced HCSD, specifically the Western Massachusetts Correctional Alcohol Center (WMCAC) located at 55 Howard Street, Springfield MA. The annual rent at this location was \$666,276.17 including utilities. The below market rate given to HCSD was a direct result of a 29 year tenet at the site.

In order to keep this valuable treatment program alive, HCSD had to partner with the Massachusetts Department of Capital Asset Maintenance and Management (DCAMM) to acquire a new location in which to operate the 147 bed facility via a lease agreement. The 10 year lease agreement between HCSD and Mill Street Iconic, LLC to operate at the 155 Mill Street, Springfield MA location came into effect on January 22, 2016. The 10 year lease will cost \$11,082,591.00 over its lifespan. This does not include utility payments. This allows HCSD to operate the WMRWC. Furthermore, the Massachusetts

General Court did not alter the HCSD annual budget to reflect the forced move leaving a budgetary gap of over 400K annually.

I am formally requesting the Massachusetts Gaming Commission please consider the initial mitigation award does not factor the full lifespan of the DCAMM lease. HCSD was not given an option for leasing other than 10 years. I ask for your assistance to maintain the annual \$400K offset to help support the operation of the WMRWC through the end of the initial DCAMM lease (FY22-FY26). It is my hope that this letter begins a formal dialogue and that I may be able to present in person to the board on this important topic.

Sincerely,

Re: 2015 Community Mitigation Fund Application of the Hampden County Sheriff

Dear Mr. Ziemba:

Please accept this letter in response to your request that Blue Torp reDevelopment, LLC ("MGM") review and comment on the Hampden County Sheriff's application for a grant in the amount of \$4 million to reduce the rent obligation in connection with the Sheriff's relocation of the Western Massachusetts Correctional Alcohol Center (WMCAC), which is presently located on MGM's project site and must relocate (the "Sheriff's Application").

~~MGM fully supports the Sheriff's Application.~~ As the Sheriff has indicated, the WMCAC is a very important program which has been widely recognized as a model correctional substance abuse treatment center over its nearly three decades of operations. Sheriff Asha rightly deserves praise for his efforts and success with this program.

As you are aware, MGM has been working very closely with the Sheriff's Department, DCAMM and the Commission to address the relocation of the WMCAC. Though not required under the Host Community Agreement with the City of Springfield, MGM has spent significant time, resources and money, including direct payments of nearly \$600,000, in an effort to preserve the Sheriff's preferred relocation site. It is crucial to our ability to stay on time and on budget that the Sheriff vacate the premises at 26 Howard Street to allow us to commence remediation and demolition preparation in April.

It is our understanding that because (i) the Sheriff's rent for the WMCAC facility at 26 Howard Street has been well below market for years based on longstanding support of the prior landlord and (ii) any new location will require costly improvements associated with the modern security and surveillance requirements of a correctional facility, the Sheriff will likely face an annual rent increase (inclusive of utilities cost) in excess of \$1 million annually. MGM understands that this presents a challenge for the Sheriff and the Commonwealth. The Sheriff is effectively requesting \$500,000 per year to offset this rent increase, either in the form of an upfront grant or a continuing ten year annual grant to be repaid at the end of the ten years. His request is reasonable and understandable. MGM supports this request.

MGM's full support of the Sheriff's Application notwithstanding, I must address the repeated statement made in the Sheriff's Application that it would be "grossly unfair and unacceptable" for the WMCAC "to be put out of existence to make room for a casino, without appropriate

MGM Springfield Community Office  
1441 Main Street Suite 137  
Springfield, MA 01103  
413-735-3000

mitigation." Of course, no one is suggesting that the WMCAC should be put out of existence. MGM has long recognized the importance of the WMCAC and, as a result, has worked tirelessly with the Sheriff and the Commonwealth to assist the Commonwealth in addressing its need to relocate this state facility to allow MGM's state-licensed casino development to timely open and accomplish the legislative objective of generating thousands of jobs, spin-off economic development and millions in tax revenues for the citizens of the Commonwealth. The Commonwealth, through the Legislature and the voters, has overwhelmingly endorsed and supported casino gaming as an economic development engine and form of entertainment appropriate and desirable in Massachusetts. Any implication that, because MGM's project involves casino gaming, the analysis surrounding the relocation of the WMCAC and the need for mitigation funding should be any different is misplaced.

Thank you for the opportunity to review and comment upon the above-referenced application. Should you have any questions or require any additional information, please do not hesitate to contact me.

Sincerely,

Michael Mathis
