(2) Upon receiving a request for a temporary license, the executive director of the commission shall review the request. If the executive director determines that the entity requesting the temporary license is a qualified gaming entity and has paid the sports wagering initial licensing fee pursuant to paragraph (1), the commission shall authorize the qualified gaming entity to conduct sports wagering for a period of 1 year under a temporary license or until a final determination on its operator license application is made.

The commission may reject a proposed license transfer or a proposed transfer of interest in the license to an unsuitable person and may reject a proposed transfer that, in the determination of the commission, would be injurious to the interests of the commonwealth. The commission may promulgate regulations governing this process which may include assessment of a fee to reflect the cost associated with reviewing the proposed transfer.

- (i) Applications for operator licenses shall be public records under section 10 of chapter 66; provided however, that trade secrets, competitively-sensitive or other proprietary information provided in the course of an application for an operator license under this chapter, the disclosure of which would place the applicant at a competitive disadvantage, may be withheld from disclosure under said section 10 of said chapter 66.
- Section 7. (a) An applicant for an operator license shall pay to the commission a nonrefundable processing fee of \$200,000 for the costs associated with the processing of the application and investigation of the applicant; provided, however, that if the costs of the investigation exceed the initial application fee, the applicant shall pay the additional amount to the commission not more than 30 days after notification of insufficient fees or the application shall be rejected.
- (b) All fees in this section shall be deposited into the Sports Wagering Control Fund established in section 14.

The commission shall issue such occupational license to a person who meets the requirements of this section.

- (b) An occupational license authorizes the licensee to be employed in the capacity designated by the commission while the license is active. The commission may establish, by rule or regulation, job classifications with different requirements based on the extent to which a particular job impacts, or has the potential to impact, the lawful operation of sports wagering.
- (c) An applicant for an occupational license shall submit any required application forms established by the commission and shall pay a nonrefundable application fee of \$100. An employer may pay an application fee on behalf of an applicant.
- (d) Not later than March 1 of the third calendar year following the issuance or renewal of an occupational license, an occupational license holder shall pay a nonrefundable license renewal fee of \$100 and submit a renewal application on a form established by the commission. An employer may pay the license renewal fee on behalf of the licensed employee.

Section 9. Section 9. (a) The commission may deny a license to any applicant, reprimand any licensee or suspend or revoke a license if the applicant or licensee: (i) has knowingly made a false statement of a material fact to the commission; (ii) has had a license revoked by any governmental authority responsible for regulation of gaming activities; (iii) has been convicted of a felony or other crime involving embezzlement, theft, fraud, perjury, or a gambling-related offense; (iv) has not demonstrated to the satisfaction of the commission financial responsibility sufficient to adequately meet the requirements of the proposed enterprise; (v) has affiliates or

The house rules shall specify the amounts to be paid on winning wagers and the effect of sports event schedule changes. An operator shall not conduct sports wagering until the commission has approved the house rules and an operator shall not conduct sports wagering in a manner inconsistent with approved house rules.

- (b) The house rules, together with any other information the commission deems appropriate, shall be accessible to any patrons of the sports wagering operator. The operator shall make copies readily available to patrons and shall post the house rules as required by the commission, including on a prominent place on the operator's public website and mobile application or other digital platform.
- Section 11. (a) An operator shall employ commercially reasonable methods to: (i) prohibit the operator, directors, officers, owners and employees of the operator and any relative living in the same household as any such person from placing bets with the operator; (ii) prohibit athletes, coaches, referees, team owners, employees of a sports governing body or its member

teams and player and referee union personnel from wagering on any sporting event of their sport's governing body; provided, however, that the operator shall use lists of such persons that a sports governing body may provide to the commission to determine which persons are excluded from placing wagers under this subsection; and provided further, that the commission may use the list of barred employees from the operator and may work directly with a member team to determine the risk posed by certain employees for obtaining nonpublic confidential information on a sporting event and may remove an employee without knowledge of team strategy or game operations from such a list if the commission determines any such risk is de minimis; (iii) prohibit any individual with access to nonpublic confidential information held by the operator from placing wagers with the operator; (iv) prohibit persons from placing wagers as agents or proxies for others; and (v) maintain the security of wagering data, customer data and other confidential information from unauthorized access and dissemination; provided, however, that nothing in this chapter shall preclude the use of internet or cloud-based hosting of such data and information or disclosure as required by court order, other law or this chapter; and provided further, that such data and information shall be hosted in the United States.

Absent a provisional grant by the commission, an operator may continue to offer sports wagering on sporting events that are the subject of a request during the pendency of the consideration of the applicable request.

- (c) The commission shall designate a state law enforcement entity to have primary responsibility for conducting, or assisting the commission in conducting, investigations into abnormal betting activity, match fixing and other conduct that corrupts a betting outcome of a sporting event for purposes of financial gain.

An operator shall immediately report information relating to conduct described in clauses (ii), (iii) and (iv) of this subsection to the relevant sports governing body.
- (f) The commission and operators shall maintain the confidentiality of information provided by a sports governing body for purposes of investigating or preventing the conduct described in clauses (ii), (iii) and (iv) of subsection (e), unless disclosure is required by this chapter, the commission, other law or court order or unless the sports governing body consents to disclosure.
- (g) With respect to any information provided by an operator to a sports governing body relating to conduct described in clauses (ii), (iii) and (iv) of subsection (e), a sports governing body shall: (i) only use such information for integrity purposes and shall not use the information for any commercial or other purpose; and (ii) maintain the confidentiality of such information,

unless disclosure is required by this chapter, the commission, other law or court order or unless the operator consents to disclosure; provided, however, that the sports governing body may make any disclosure necessary to conduct and resolve integrity-related investigations and may publicly disclose such information if required by its integrity policies or if deemed by the sports governing body in its reasonable judgment to be necessary to maintain the actual or perceived integrity of its sporting events, and subject in all cases to the sports governing body's compliance with federal, state and local laws and regulations, including, but not limited to, laws and regulations relating to privacy and personally identifiable information; and provided further, that prior to any such public disclosure that would identify the operator by name, the sports governing body shall provide the operator with notice of such disclosure and an opportunity to object to such disclosure.

- (h) An operator shall maintain records of all wagers placed by its patrons, including: (i) personally identifiable information of a patron who places a sports wager through a mobile application or other digital platform or a patron who places an in-person sports wager that exceeds an amount determined by the commission; (ii) amount and type of the bet; (iii) the time the bet was placed; (iv) the location of the bet, including the Internet Protocol address if applicable; (v) the outcome of the bet; and (vi) records of abnormal betting activity for 3 years after a sporting event occurs and video camera recordings in the case of in-person wagers for at least 1 year after a sporting event occurs. An operator shall make these records available for inspection upon request of the commission or as required by court order.
- (i) An operator shall use commercially reasonable efforts to maintain, in real time and at the account level, anonymized information for each patron, including: (i) the amount and type of bet; (ii) the time the bet was placed; (iii) the location of the bet, including the Internet Protocol

Nothing in this section shall require an operator to provide any information prohibited by federal, state or local laws or regulations, including, but not limited to, laws and regulations relating to privacy and personally identifiable information.

(j) If a sports governing body has notified the commission and demonstrated a need for access to the information described in subsection (i) for wagers placed on sporting events of the sports governing body for integrity monitoring purposes and demonstrated the capability to use the data for the purpose of effectively monitoring the integrity of sporting events of the sports governing body, an operator shall share, in a commercially reasonable frequency, form and manner, with the sports governing body or its designee the same information the operator is required to maintain pursuant to said subsection (i) with respect to sports wagers on sporting events of the sports governing body. A sports governing body and its designee shall only use information received pursuant to this section for integrity-monitoring purposes and shall not use information received pursuant to this section for any commercial or other purpose. Section 12. (a) An operator shall: (i) employ a monitoring system utilizing software to identify irregularities in volume or changes in odds that could signal suspicious activities and promptly report such information to the commission for further investigation; provided, however, that system requirements and specifications shall be developed according to industry standards and implemented by the commission as part of the minimum internal control standards; (ii) promptly report to the commission any facts or circumstances related to the operation of a sports wagering license that constitute a violation of state or federal law and promptly report to the appropriate state or federal authorities any suspicious betting over a threshold set by the operator that has been approved by the commission; (iii) conduct all sports wagering activities and functions in a manner that does not pose a threat to the public health, safety or welfare of the residents of the commonwealth; (iv) keep current in all payments and obligations to the commission; (v) prevent any person from tampering or interfering with the operation of any sports wagering; (vi) ensure that mobile sports wagering occurs only using a commission-approved mobile application or other digital platform to accept wagers initiated within the commonwealth; (vii) maintain sufficient cash and other supplies to conduct sports wagering at all times; (viii) maintain daily records showing the gross sports wagering receipts and adjusted gross sports wagering receipts of the operator from sports wagering; (ix) timely file with the commission any additional reports required by this chapter or by any rule or regulation;

and (x) use commercially reasonable efforts to prevent a person under 21 years old from placing a wager.

(b) Sports wagering operators may use any data source for determining:

- (1) the results of any and all tier 1 sports wagers on any and all sporting events; and
- (2) the results of any and all tier 2 sports wagers on sporting events of an organization that is not headquartered in the United States.
- (c) A sports governing body may notify the commission that it desires sports wagering operators to use official league data to settle tier 2 sports wagers on sporting events of such sports governing body. The notification shall be made in the form and manner as the commission may require. Within 5 days of receipt of the notification, the commission shall notify each sports wagering operator of the requirement to use official league data to settle tier 2 sports wagers. If a sports governing body does not notify the commission of its desire to supply official league data, a sports wagering operator may use any data source for determining the results of any and all tier 2 sports wagers on sporting events of the sports governing body.
- (d) Within 60 days of the commission notifying a sport wagering operator of the requirement to use official league data to settle tier 2 sports wagers pursuant to subsection (c), or such longer period as may be agreed between the sports governing body and the applicable sports wagering operator, a sports wagering operator shall use only official league data to determine the results of tier 2 sports wagers on sporting events of that sports governing body, unless:

(1) the sports governing body or its designee cannot provide a feed of official league data to determine the results of a particular type of tier 2 sports wager, in which case a sports wagering operator may use any data source for determining the results of the applicable tier 2 sports wager until such time a data feed becomes available from the sports governing body on commercially reasonable terms and conditions; or

- (2) a sports wagering operator can demonstrate to the commission that the sports governing body or its designee will not provide a feed of official league data to the sports wagering operator on commercially reasonable terms and conditions.
- (e) In evaluating whether official league data is offered on commercially reasonable terms and conditions for purposes of paragraphs (1) and (2) of subsection (d), the commission may consider factors, including, but not limited to:
- (1) the availability of official league data to a sports wagering operator from more than 1 authorized source;
- (2) market information, including, but not limited to, price and other terms and conditions regarding the purchase by sports wagering operators of comparable data for the purpose of settling sports wagers in the commonwealth and other jurisdictions;
- (3) the nature and quantity of data, including the quality and complexity of the process used for collecting the data; and
- (4) the extent to which a sports governing body or its designee has made data used to settle tier 2 wagers available to sports wagering operators and any terms and conditions relating to the use of that data.

(f) Notwithstanding subsection (d) or any provision of this subsection to the contrary, during the pendency of the determination of the commission as to whether a sports governing body or its designee may provide official league data on commercially reasonable terms, a sports wagering operator may use any data source to determine the results of tier 2 sports wagers. The determination shall be made within 120 days of the sports wagering operator notifying the commission that it requests to demonstrate that the sports governing body or its designee will not provide a feed of official league data to the sports wagering operator on commercially reasonable terms.

- (g) A sports governing body may enter into commercial agreements with a sports wagering operator or other entity in which such sports governing body may share in the amount wagered or revenues derived from sports wagering on sporting events of the sports governing body. A sports governing body shall not be required to obtain a license or any other approval from the commission to lawfully accept such amounts or revenues.
- Section 13. (a) Holders of category 1 and category 2 licenses may accept wagers on sports events and other events authorized pursuant to this chapter in person at authorized facilities.
- (b) Holders of an operator license may accept wagers on sports events and other events authorized pursuant to this chapter from individuals physically located within the commonwealth using mobile applications or digital platforms approved by the commission, through the patron's sports wagering account. The branding for each mobile application or digital platform shall be determined by the operator. All bets authorized pursuant to this section must be initiated, received and otherwise made within the commonwealth. Consistent with the intent of the federal

Unlawful Internet Gambling Enforcement Act of 2006, 31 U.S.C. section 5361 to 5367, inclusive, the intermediate routing of electronic data related to a lawful intrastate wager authorized pursuant to this chapter shall not determine the location or locations in which the wager is initiated, received or otherwise made.

- (c) An operator may: (i) accept wagers placed by other operators and (ii) place wagers with other operators; provided, that any operator that places a wager with another operator shall inform the operator accepting the wager that the wager is being placed by an operator and shall disclose the operator's identity.
- (d) An operator shall not accept: (i) a wager from a person who is less than 21 years of age; or (ii) a credit card .
- (e)(1) The commission or operator may ban any person from participating in the play or operation of any sports wagering consistent with rules and regulations promulgated by the commission. A list of all excluded patrons shall be kept by the commission and provided to each licensee. No patron on the exclusion list shall be permitted to conduct sports wagering pursuant to this chapter.
- (2) The commission shall establish a list of self-excluded persons from sports wagering. A person may request their name to be placed on the list of self-excluded persons by filing a statement with the commission acknowledging that they are a problem gambler and by agreeing that, during any period of voluntary exclusion, they shall not collect any winnings or recover any losses resulting from any sports wagering. The commission shall adopt further regulations for the self-excluded persons list including procedures for placement, removal and transmittal of the list to sports wagering operators. The commission may revoke, limit, condition, suspend or fine a

sports wagering operator if the operator knowingly or recklessly fails to exclude or eject from its premises any person placed on the list of self-excluded persons. The list of self-excluded persons from sports wagering shall not be open to public inspection.

- (3) An operator that operates sports wagering through a mobile application or other digital platform may allow patrons to set self-imposed limitations on sports wagering when the patron joins the mobile application or digital platform.
- (f) No employee may place a sports wager at any facility or through any mobile application or digital platform owned or operated by their employer.
- (g) Sections 24, 24A and 27 of chapter 10 of the General Laws shall not apply to an operator conducting sports wagering in accordance with this chapter.
- (h) Unclaimed winning sports wagers shall be retained by the operator for the person entitled to the wager for 1 year after the game or event in which the wager was won. If no claim is made for the wager within 1 year, the cash or equivalent cash value of the wager shall be deposited in the Sports Wagering Control Fund established in section 15.
- Section 14. (a) An excise is hereby imposed upon sports wagering operators in the commonwealth at the rate of: (i) 15 per cent of the operator's adjusted gross sports wagering receipts from the operation of in-person sports wagering; (ii) 20 per cent of the operator's adjusted gross sports wagering receipts from the operation of sports wagering through mobile applications and other digital platforms approved by the commission; and (iii) 15 per cent of the adjusted gross fantasy wagering receipts of a person or entity that offers fantasy contests, as defined in section 11M½. The accrual method of accounting shall be used for purposes of

calculating the amount of the tax owed by the licensee. The excise shall be paid to the commission at the time provided for filing the return pursuant to subsection (b).

- (b)(1) The excise imposed and collected pursuant to subsection (a) shall be due and payable to the commission in monthly installments on or before the fifteenth calendar day following the calendar month in which the adjusted gross sports wagering receipts were received.
- (2) On or before the fifteenth calendar day of each month, the operator shall complete and submit the return for the preceding month by electronic communication to the commission in a form prescribed by the commission that provides:
- (i) the total gross sports wagering receipts and adjusted gross sports wagering receipts from operation of sports wagering during that month;
- (ii) the total gross fantasy wagering receipts and adjusted gross fantasy wagering receipts from the offering of fantasy contests, as defined in section 11M½ of chapter 12, during that month;
- (iii) the tax amount for which an operator or a person or entity that offers fantasy contests, as defined in said section 11M½ of said chapter 12, is liable; and
- (iv) any additional information necessary in the computation and collection of the tax on adjusted gross sports wagering receipts and adjusted gross fantasy wagering receipts required by the commission.
- (3) The excise amount shown to be due shall be remitted by electronic funds transfer simultaneously with the filing of the return.

(4) When an operator's adjusted gross sports wagering receipts for a month is a negative number because the winnings paid to wagerers and excise taxes paid pursuant to federal law exceed the operator's total gross receipts from sports wagering, the commission shall allow the operator to carry over the negative amount to returns filed for subsequent months. The negative amount of adjusted gross sports wagering receipts shall not be carried back to an earlier month and taxes previously received by the commission shall not be refunded unless the operator surrenders its license and the operator's last return reported negative adjusted gross sports wagering receipts.

- (c) The excise on adjusted gross sports wagering receipts imposed by this section shall be in lieu of all other state and local taxes and fees imposed on the operation of, or the proceeds from operation of, sports wagering.
- (d) Annually, not later than July 1, the commission shall publish on its website a report stating the amount in fees, surcharges and civil penalties received from operators and taxes received from operators and from people or entities that offer fantasy contests, as defined in section 11M½ of chapter 12.
- Section 15. (a) There shall be established and set up on the books of the commonwealth a separate fund to be known as the Sports Wagering Control Fund. The commission shall be the trustee of the fund and shall expend money to finance the operational activities of the commission pertaining to sports wagering. The fund shall be credited with: (i) any appropriation, bond proceeds or other monies authorized by the general court and specifically designated to be credited thereto; (ii) the proceeds of any fees collected pursuant to this section unless otherwise specified; (iii) fees collected pursuant to sections 7 and 8; (iv) breaks; and (v) such additional

funds as are subject to the direction and control of the commission. All available money in the fund that is unexpended at the end of each fiscal year shall not revert to the General Fund and shall be available for expenditure in the subsequent fiscal year.

- (b) The commission shall establish fees for any investigation into a violation of this chapter or regulation promulgated hereunder by a sports wagering operator to be paid by the sports wagering operator including, but not limited to, billable hours by commission staff involved in the investigation and the costs of services, equipment or other expenses that are incurred by the commission during the investigation.
- (c) Any remaining costs of the commission necessary to maintain regulatory control over sports wagering operators that are not covered by: (i) the fees set forth in subsection (b); (ii) any other fees assessed pursuant to this chapter; or (iii) any other designated sources of funding, shall be annually assessed on sports wagering operators pursuant to this chapter in proportion to each operator's share of the commonwealth's total adjusted gross sports wagering receipts. Each operator shall pay the amount assessed against the operator not more than 30 days after the date of the notice of assessment from the commission.
- (d) If the fees collected pursuant to subsections (b) and (c) exceed the cost required to maintain regulatory control, the surplus funds shall be credited in proportional shares against each sports wagering operator's next assessment.
- (e) The commission shall annually assess and collect a \$1,000,000 fee in shares to be determined by the commission against each sports wagering operator that is not a category 1 or category 2 gaming licensee, as defined in section 2 of chapter 23K. The fee collected pursuant to this subsection shall be deposited into the Public Health Trust Fund established in section 58 of

said chapter 23K and shall be used for the costs of services and public health programs provided for in said section 58 of said chapter 23K.

Section 16. (a) The commission may assess a civil administrative penalty on an operator who fails to comply with any provision of this chapter, house rules or any regulation or order adopted by the commission; provided, however, that the noncompliance shall have occurred after the commission has given such operator written notice of the noncompliance and the time stated in the notice for coming into compliance has elapsed; provided further, that the commission may assess a penalty without providing written notice if the failure to comply: (i) was part of a pattern of noncompliance and not an isolated instance; (ii) was willful or neglectful and not the result of error; (iii) resulted in a significant breach to the integrity of the operator or the sports wagering laws of the commonwealth; or (iv) consisted of failure to promptly report to the commission any knowledge of evidence or circumstances that would cause a reasonable person to believe that a violation of this chapter has been committed. The civil administrative penalty shall be in addition to any other civil penalty that may be prescribed by law.

(b) For the purpose of determining whether such noncompliance was part of a pattern of noncompliance and not an isolated instance, the commission shall consider, but not be limited to; (i) whether the commission had previously notified the operator of such noncompliance on more than 1 occasion during the previous month or of any noncompliance with the same provision of a law, regulation, order, license or approval as the current noncompliance during the previous 6-month period; or (ii) whether the current and previous instances of noncompliance, considered together, indicate a potential threat to the integrity of the operator and sports wagering in the commonwealth or an interference with the commission's ability to efficiently and effectively regulate sports wagering in the commonwealth and enforce any regulation, license or order. If an

operator that has received a notice of noncompliance fails to come into compliance within the time period stated in the notice, the civil administrative penalty may be assessed by the commission upon the operator from the date of receipt of such notice.

- (c) If the commission seeks to assess a civil administrative penalty on an operator, the commission shall cause to be served upon the operator, by service in hand or by certified mail, return receipt requested, a written notice of its intent to assess a civil administrative penalty that shall include: (i) a concise statement of the alleged act or omission for which such civil administrative penalty is sought to be assessed; (ii) each law, regulation, order, license or approval that has not been complied with as a result of such alleged act or omission; (iii) the amount that the commission seeks to assess as a civil administrative penalty for each alleged act or omission; (iv) a statement of the operator's right to an adjudicatory hearing on the proposed assessment; (v) the requirements the operator shall comply with to avoid being deemed to have waived the right to an adjudicatory hearing; and (vi) the manner of payment thereof if the operator elects to pay the penalty and waive an adjudicatory hearing. After written notice of noncompliance or intent to assess a civil administrative penalty has been given, each day thereafter during which noncompliance occurs or continues shall constitute a separate offense and shall be subject to a separate civil administrative penalty if reasonable efforts have not been made by the operator to promptly come into compliance.
- (d) If the commission seeks to assess a civil administrative penalty on an operator, the operator shall have the right to an adjudicatory hearing under chapter 30A, the provisions of which shall apply except when they are inconsistent with the provisions of this chapter.

(e) An operator shall be deemed to have waived its right to an adjudicatory hearing unless, not more than 21 days after the date of the commission's notice that the commission seeks to assess a civil administrative penalty, the operator files with the commission a written statement denying the occurrence of any of the acts or omissions alleged by the commission in the notice or asserting that the amount of the proposed civil administrative penalty is excessive. In an adjudicatory hearing authorized under chapter 30A, the commission shall be required to prove, by a preponderance of the evidence, the occurrence of each act or omission alleged by the commission in the notice.

- (f) If an operator waives the right to an adjudicatory hearing, the proposed civil administrative penalty shall be final immediately upon such waiver. If a civil administrative penalty is assessed at the conclusion of an adjudicatory hearing, the civil administrative penalty shall be final upon the expiration of 30 days unless an action for judicial review of the decision is commenced under chapter 30A.
- (g) An operator who institutes proceedings for judicial review of the final assessment of a civil administrative penalty shall place the full amount of the final assessment in an interest-bearing escrow account in the custody of the clerk or magistrate of the reviewing court. The establishment of an interest-bearing escrow account shall be a condition precedent to the jurisdiction of the reviewing court unless the party seeking judicial review demonstrates, in a preliminary hearing held not more than 20 days after the filing of the complaint, the presence of a substantial question for review by the court or the operator's inability to pay. Upon such a demonstration, the court may grant an extension or waiver of the interest-bearing escrow account requirement or may require, in lieu of such interest-bearing escrow account, the posting of a

bond payable directly to the commonwealth in the amount of 125 per cent of the assessed penalty.

If, after judicial review, in a case where the escrow account requirement has been waived, and in cases where a bond has been posted in lieu of such requirement, the court affirms, in whole or in part, the assessment of a civil administrative penalty, the commission shall be paid the amount thereof together with interest at the rate provided in section 6C of chapter 231. If, after judicial review in a case where an interest-bearing escrow account has been established, the court affirms the assessment of such penalty, in whole or in part, the commission shall be paid the amount thereof together with the accumulated interest in the interest-bearing escrow account. If the court sets aside the assessment of a civil administrative penalty in a case where the amount of such penalty has been deposited in an interest-bearing escrow account, the operator on whom the civil administrative penalty was assessed shall be repaid the amount so set aside, together with the accumulated interest thereon.

(h) Each operator who fails to timely pay a civil administrative penalty and each operator who issues a bond under this section and fails to timely pay to the commission the amount required for the bond, shall be liable to the commonwealth for up to 3 times the amount of the civil administrative penalty, together with costs, plus interest accrued from the time the civil administrative penalty became final and attorneys' fees, including all costs and attorneys fees incurred directly in the collection of the penalty. The rate of interest shall be the rate provided in section 6C of chapter 231. The commission may require that the amount of a civil administrative penalty imposed under this section exceed any economic benefit realized by a person.

(i) The commission may impose conditions on, suspend or revoke an operator's license or
reprimand or assess a fine on an operator upon a finding that the operator: (i) has committed a
criminal or civil offense under this chapter or under any other law; (ii) is not in compliance with
sports wagering regulations promulgated pursuant to this chapter; (iii) is under criminal
investigation in another jurisdiction; (iv) has breached a condition of licensure; (v) has affiliates,
close associates or employees that are not qualified or licensed under this chapter with whom the
operator continues to conduct business or employ; (vi) is no longer capable of maintaining
operations as a sports wagering operator; or (vii) whose business practice, upon a determination
by the commission, is injurious to the policy objectives of this chapter.

Section 17. There shall be established and set up on the books of the commonwealth a Sports Wagering Fund which shall receive revenues collected pursuant to sections 6 and 14. The commission shall be the trustee of the fund and shall transfer monies from the fund as follows:

(1) 45 per cent to the General Fund;

- (2) 17.5 per cent to the Workforce Investment Trust Fund established in section 18;
- (3) 27.5 per cent to the Gaming Local Aid Fund established in section 63 of section 23K;
- (4) 1 per cent to the Youth Development and Achievement Fund established in section 19; and
 - (5) 9 per cent to the Public Health Trust Fund established in section 58 of section 23K.

Section 18. (a) There is hereby established and set up on the books of the commonwealth a separate fund to be known as the Workforce Investment Trust Fund. There shall be credited to the fund any sports wagering revenue transferred from the Sports Wagering Fund pursuant to

section 16. Monies transferred to the fund shall be continuously expended, without regard for fiscal year, exclusively for carrying out the purposes of this section. Money remaining in the fund at the end of a fiscal year shall not revert to the General Fund.

Expenditures from the fund shall be subject to appropriation and shall be expended equally for the following purposes:
