NEW TECH, PARTNERSHIPS, INTEGRATIONS, SIGNIFICANT PLATFORM CHANGES

- On December 1, 2025 PSI rebranded our Sportsbook to theScore Bet.
- An external fraud service, was integrated into theScore bet application, as a unified fraud-risk engine that provides consistent scoring across the customer lifecycle, including registration, transactions, and sensitive account events.
- Upgraded from our debit card provider's legacy checkout flow to the newer platform. The new solution provides the same secure functionality for users, with an updated interface and better-supported product. This change also introduces stronger fraud-prevention and improved flow-control capabilities in future releases.

COMMUNITY, OUTREACH, CHARITABLE IMPACTS

COMMUNITY OUTREACH

During the October 2025 – April 2026 time period we supported two organizations that serve Massachusetts communities, specifically in the areas around our Penn Game Studios office in Greenfield.

The team participated in the Hot Chocolate Run to raise money for Safe Passage. Safe Passage has helped thousands of families achieve safety, build justice, and rebuild their lives in the wake of domestic violence.

We also ran a food drive for the Food Bank of Western Massachusetts, a nonprofit organization serving the four counties of Western Massachusetts.
