TOWN OF PLAINVILLE

Office of the
BOARD OF SELECTMEN

September 29, 1997

Massachusetts State Racing Commission
1 Ashburton Place
Boston, MA 02108

Dear Commissioners:

This letter is meant to inform you that on September 8, 1997, the Plainville Board of Selectmen held a public hearing on the request of Manager Acquisition Corporation to locate a harness racing facility within the Town of Plainville. That public hearing was held pursuant to the requirements of MGL Chapter 128A, section 13A, and as such was properly posted and advertised (copy enclosed).

I am pleased to inform you that, after due consideration, the Board voted affirmatively to conditionally approve the suitability of the proposed site. The site, as proposed, is located on Washington Street (Route 1) at its southeasterly intersection with Route 495. It is important that I communicate to you the basis of the condition attached to the approval. Given the proximity of the Route 495 interchange there is concern with traffic accessing and exiting from the site. Therefore, the condition placed on the approval was that a professionally prepared traffic study be prepared for the site given the intended use.

It was and continues to be the wish of the Board of Selectmen that this proposal is allowed to go forward. Given the time required to prepare such a study, it did not seem practical or even possible to have the traffic study completed prior to the October 1 submittal deadline to the Commission. Consequently, the Board felt comfortable in approving the site suitability provided that all parties concerned remain mindful of the need for the traffic study.

Based on this understanding, the Board of Selectmen is anxious to see this application move forward in the licensing process and look forward to working through the Commission in bringing the proposal to fruition. We are most anxious to share with you, through the public hearing process, how such a facility will be of benefit to the community of Plainville and to the harness racing industry as well. In the interim, I remain eager to answer any questions on behalf of the Town, which this application may generate. Please feel free to contact me at (508) 695-3010 ext.11 if I can assist your deliberations in any way.

Sincerely,

Joseph E. Fernandes
Town Administrator

PLAINVILLE BOARD OF SELECTMEN
MINUTES FOR MEETING HELD - SEPTEMBER 8, 1997

Chairman, Andrea Soucy, called the meeting to order at 7:30 p.m. Also present were Charles Smith, Ronald Fredrickson and Town Administrator, Joseph Fernandes.

I. MINUTES

None

II. LICENSES & PERMITS

7:45 p.m. John Pasquantonio d/b/a Johnny's Oil. Fuel Storage Permit. Andrea Soucy opened the public hearing on the application of Mr. Pasquantonio. Mr. Pasquantonio was not present and matters were continued for hearing at next regular Board of Selectmen meeting. Ronald Fredrickson moved Charles Smith seconded and it was unanimously

VOTED: To adjourn the public hearing for John Pasquantonio until Monday, September 15, 1997 at the same time.

Charles Smith moved, Ronald Fredrickson seconded and it was unanimously

VOTED: To recess this meeting at 7:50, to reconvene in the upstairs room for the purpose of conducting a public hearing on the suitability of location for a proposed racetrack

8:00 p.m. Meeting reconvened - on the advice of Fire Chief, the meeting was moved to the fire station, due to the number of people present and lack of egress. Charles Smith moved, Ronald Fredrickson seconded and it was unanimously

VOTED: To transfer meeting across the street to the Plainville Fire Station.

Everyone moved across the street and the meeting was again reconvened at 8:20 p.m.

Robert Kraus, attorney for Management Acquisition Corp. made a presentation regarding a proposed application for harness racing track site approval by MAC in the Rte.495/Route 1/152 area. Mr. Kraus stated MAC wished to submit a harness racing license

application to the Massachusetts State Racing Commission by the deadline of October 1, 1997. The MAC Group had requested this hearing to test the feasibility of such an application. Mr. Kraus noted the proposed raceway could benefit the Town of Plainville by providing one quarter of 1% of "handle", meaning approximately \$250,000.00 per year to the town, plus costs of police and fire services and estimated a total of approximately \$500,000.00 of income to the town. The parcel of land the group is interested in totals approximately 90 acres.

Mr. Kraus, to a question from Andrea Soucy on status, noted negotiations had been taking place with the Pacella estate and, based on the outcome of this hearing and a prospective license application, the MAC Group expected favorable outcome.

To a question from Charles Smith, Mr. Kraus noted traffic problems would be addressed and an engineering study would be required if the application were successful.

Various members of the audience present spoke in favor or against the proposal:

David Bois - questioned if water and sewer issues had been addressed. Mr. Kraus noted a feasibility study would be carried out as part of the application process.

Tim Dyer, 1 Oak Drive asked if a raceway was the only possibility for the area in question, and asked if any other plan had been considered, i.e. office buildings. Charles Smith noted the acreage was not adequate enough.

Arthur Roy, 74 Warren Street had a question regarding slot machines.

Mike Mullane, 18 Rhodes Street asked if a referendum vote was needed. The board told him this was not so.

Grace Simmons of Spring Street noted her objection, stating a rezoning application was to be presented at town meeting to rezone the area in question and felt granting approval to MAC would eliminate any other proposals for the area once rezoning is approved.

Town Administrator, Joseph Fernandes, noted he had spoken with lawyer for the Racing Commission and advice received noted blanket approval was not necessary - approval could be conditional upon a number of matters, e.g. parking, egress, etc.

After further discussion with members of the audience, Ronald Fredrickson moved, Charles Smith seconded and it was unanimously

VOTED: To support the request based upon contingencies noted by Joseph Fernandes.

BOS Minutes - September 9, 1997

American Legion - One day license modification - to allow outside sales and consumption of alcohol at a planned pig roast, September 20, 1997 from 1-6 p.m. Legion has now scaled this down to a clam bake. Joseph Fernandes noted he had spoken with Chief Merrick and, due to scaling down of people in attendance, a police detail would not be required. Charles Smith moved, Andrea Soucy seconded (Ronald Fredrickson abstaining) and it was

VOTED: To approve the one day license modification as detailed above.

III. APPOINTMENTS WITH THE BOARD

Jack Flynn - Letter regarding fire candidate selection process. Mr. Flynn was present and noted his objection to the process used appointing firefighters to the rank of lieutenant after recent interviews. Mr. Flynn stated his dismay that a recommendation (of one of the candidates) by the Fire Chief was not taken by the Board. Andrea Soucy noted Mr. Flynn's objection but advised the board had issues of concern regarding the recommendation and had acted accordingly.

IV. BOARDS AND COMMITTEES

School Committee - Letter of resignation received from Laurence Cochrane. Joseph Fernandes noted the board should announce this vacancy for thirty days and then move to fill same.

Peter Brock, Chairman Conservation Commission - member recommendation. Charles Smith moved, Ronald Fredrickson seconded and it was unanimously

VOTED: To appoint Richard Lewis to the Conservation Commission.

Council on Aging. Ronald Fredrickson moved, Charles Smith seconded and it was unanimously

VOTED: To appoint Rev. Richard Noyes to board of Council on Aging.

Availability Card - Leland Ross - for Radio Committee. Ronald Fredrickson moved, Charles Smith seconded and it was unanimously

QUESTION ONE

Shall the Town of Plainville permit the operation of a gaming establishment licensed by the Massachusetts Gaming Commission to be located at Plainridge Racecourse, 301 Washington Street, Plainville? YES _____ NO _____

A "YES" vote would allow the owner of Plainridge Racecourse to apply to the Massachusetts Gaming Commission for a license to operate a gaming facility in accordance with a Host Community Agreement executed between the Town and the Racecourse's owner. The primary terms of the Agreement are set forth below.

A "No" vote would prohibit the operation of such a gaming facility and prevent the applicant from submitting a final application to the Massachusetts Gaming Commission.

Summary of Key-Points Within the Plainridge Host Community Agreement

Financial

- Plainridge to pay for all consulting and legal costs incurred by the Town as part of the licensing process subject to budgetary review
- Plainridge to pay \$1,500,000 in real and personal property taxes upon full commencement of gaming. The tax payment will increase 2 ½ % per year, and increase further upon the construction of any additional space beyond 170,000 square feet.
- Plainridge to pay the Town \$100,000 annually as a Community Impact Fee. The Community Impact Fee will be increased proportionally if slot machine count is ever permitted to exceed 1,250.
- Plainridge to pay the following Host Community Payments:
 - \$2,700,000 annually for the first five (5) years of full operation which will be increased proportionally if slot machine count is permitted to exceed 1,250 during this period.
 - 1.5% of Gross Gaming Revenue during years six through ten (6-10) which is estimated to equate to approximately \$2,300,000 annually
 - 2.0% of Gross Gaming Revenue starting in year eleven (11) and thereafter which is estimated to equate to approximately \$3,300,000 annually
- Plainridge will continue to pay Live Racing and Simulcasting Payments directly to Plainville in the event the State of Massachusetts discontinues to assess the current 0.35% tax.
- Plainridge agrees to the validity and payment of all building permit fees which are estimated to be \$816,000.

Employment

- 300 estimated construction related positions
- 400 estimated full-time positions once full operations commence
- Employment preference to be given to qualified Plainville residents
- Plainridge to schedule a dedicated hiring event for Plainville residents

Transportation

- Traffic improvements to be consistent with requirements of the Planning Board's Special Permit

Responsible Gaming

- Plainridge will implement a Responsible Gaming Plan which will incorporate:
 - Education of employees and patrons on odds of games and responsible gaming decisions
 - Promotion of responsible gaming in daily operations
 - Support of public awareness of responsible gaming

Miscellaneous

- Agreement allows for "Initial Limited Operations" if allowed by the Massachusetts Gaming Commission. All transportation improvements and requirements of the Planning Board's Special Permit would have to be met first.
- "Initial Limited Operations" defined as anything less than 800 slot machines.
- If the "Initial Limited Operations" option is exercised, the Town will be paid 1.5% of Gross Gaming Revenue during that period.
- During the "Initial Limited Operations" period, property and personal property tax would be \$500,000

HHANE shall comply with all federal, state, Commission, or local requirements, if any, with respect to any programs established from said sums and the use of such funds.

Section 5.4 HHANE shall indemnify and hold PGR harmless against claims, losses, expenses, judgments, penalties, liabilities, costs, fees, or other losses ("Demands") imposed upon or suffered by PGR arising out of, or in connection with, the payments provided for in this Article or programs or other activities solely funded by such payments; provided however, that PGR shall defend against such Demands, that HHANE shall defend PGR against such Demands as well and that the Parties shall give all reasonable and necessary cooperation to each other in the defense against such Demands.

ARTICLE 7

RACE OR RACE CARD CANCELLATIONS

Section 7.1 An amount equal to \$250.00 for each programmed entry will be paid to owners from the purse account for race day cancellations when the cancellation is announced less than six (6) hours before the first race post time for any given race card. In the event a live racing card has commenced with at least one live race completed, PGR agrees to pay an amount equal to \$250.00 for each programmed entry to be paid to owners from the purse account, unless another option under Section 7.5 or 7.6 has been chosen and enacted. Any horse scratched prior to the announcement of a cancellation of a race card that has already commenced with at least one live race completed shall not be eligible for any reimbursement under this Section.

Section 7.2 No payments under this Article shall be made to any driver and/or trainer.

Section 7.3 No payments under this Article shall be made for any cancellation prior to six (6) hours before the first race post time for any given race card, unless another option under Section 7.5 or 7.6 has been chosen and enacted.

Section 7.4 PGR agrees to inform in writing the President and the Executive Director of HHANE prior to cancelling a race day in order to inform its membership of the cancellation. PGR will also use reasonable commercial efforts to announce and communicate any cancellation utilizing the Plainridge Textcaster system, or any other system after notice in writing to the HHANE of said change in delivery method, as it may deem necessary, in a prompt manner, after the decision is made to cancel a racing card. The determination of the six (6) hour cancellation will be the time at which PGR communicates such cancellation using its electronic cancellation system.

Section 7.5 Parties agree that if a race card is cancelled, that race card will be carried, if possible, to the next available date. If a cancelled live race date cannot be scheduled for the next available date, that cancelled race date may be scheduled at a later date during the same calendar year, subject to Commission approval. During the term of this Agreement, PGR shall not be obligated to reschedule up to 3 cancelled live racing dates each racing season in which the purses allocated for those race days have been equally distributed to the programmed entries. During the term of this Agreement, PGR shall not be obligated to reschedule any live racing dates during the month of November. In the event of cancellations occurring in the month of November, PGR agrees to use best efforts, weather permitting, to return to a normal racing schedule as soon as possible.

Section 7.6 The parties may mutually agree in real time on other concessions not covered by this section regarding cancellations.

ARTICLE 8

COMMITMENT BY HHANE

Section 8.1 HHANE agrees that, during the term of this Agreement, it shall use its best efforts to ensure PGR shall have continuously available during the Plainridge racing meeting an adequate supply of harness racing horses that are of a level or quality consistent with the purses offered and to conduct up to 12 live races per day. HHANE and PGR agree that maximizing the number of races per day and number of entrants per race shall be encouraged, with up to twelve (12) races per day offered on a daily race card and maximizing the amount of betting interests participating in each individual race. The amount of races per day may be increased with the mutual consent of the Parties.

ARTICLE 9

SIMULCASTING

Section 9.1 PGR shall have the sole responsibility, authority, and discretion to enter into contractual agreements with any and all interstate wagering locations pursuant to state and federal law.

Section 9.2 At least 30 days prior to the start of any race meet, PGR will provide a list to HHANE of prospective interstate wagering locations seeking approval to contract with PGR for wagering on Plainridge races during that calendar year, which list shall be subject to HHANE's approval; provided however, that HHANE's approval to the list of prospective interstate wagering locations shall not be unreasonably withheld, and written approval to PGR and the Commission shall be provided within ten (10) days of receipt of the list from PGR. In the event an interstate wagering location had been previously approved by HHANE, and unless such approval has been withdrawn in accordance with Section 9.3 below, such previously approved interstate wagering locations shall be automatically approved in subsequent years without the need for further consent by HHANE. PGR may submit supplemental list(s) of interstate wagering locations to HHANE for approval from time-to-time during a race meet; provided that, HHANE's approval shall not be unreasonably withheld and such HHANE shall act upon such requests within ten (10) days of receipt.

Section 9.3 Solely in accordance with this Section and upon written notice to PGR, HHANE may inform PGR of HHANE's intent to withdraw its prior approval for one or more of the previously approved inter-state wagering locations if one or more of the following grounds exist:

- The previously approved interstate wagering location in question does not have a valid agreement in place with its recognized horsemen's organization; or
- The previously approved interstate wagering location in question has a material and verifiable overdue financial obligation to a recognized and exclusive representative of horsemen.

Section 9.3.1 Such notice of HHANE's intent to withdraw its prior approval pursuant to this Section shall include specific details as to the reason and circumstances for the intent to withdraw HHANE's prior approval. The parties agree that they will meet within seven (7) days of the receipt of such written notice by PGR to attempt to resolve the dispute regarding the affected interstate wagering location(s.) If the parties are unable to resolve the dispute within the seven (7) day period, then HHANE thereafter may serve written notice to PGR withdrawing approval for the previously approved interstate wagering location(s) identified in the initial notice and PGR agrees that such simulcasts will cease within three (3) calendar days of receipt of such notice.

Section 9.3.2 Upon receipt of satisfactory information that the grounds for having withdrawn its approval of any interstate wagering location(s) have been rectified, HHANE agrees to provide written approval within three (3) calendar days for simulcasting with such location(s) to resume.

Section 9.4 HHANE understands PGR provides advance payment to the purse account for host fees not yet collected by PGR. From time-to-time, PGR may have host fees from certain interstate wagering locations declared uncollectable by PGR. In such case, HHANE shall have the right to collect said fees. In the event of an uncollectable fee by both PGR and HHANE, HHANE agrees that any amounts previously allocated to the purse account from such interstate wagering locations shall be deducted from the purse account. PGR agrees to provide all documentation to HHANE prior to any deductions under this Section. HHANE shall have the right to pursue any legal remedies, at the sole cost of HHANE, against such interstate wagering locations for payment of their share of said fees under this section. Should HHANE recover funds under this section all such funds shall be deposited in the purse account and/or reimbursed to PGR.

ARTICLE 10

PGR will use commercially reasonable efforts to have its racing surface and facilities prepared and ready for ship-in training, weather permitting, no later than two (2) weeks prior to the first live racing date of a race meeting. PGR may allow HHANE to negotiate, at an agreed upon rate, for an additional two (2) weeks prior to the first live racing date of a racing meeting. In such case PGR will use commercially reasonable efforts to have its racing surface and facilities prepared and ready for ship-in training, weather permitting, four (4) weeks prior to the first live racing date of a race meeting. Ship-in training shall be offered, weather permitting, no later than two (2) weeks prior to the first live racing date of a race meeting on the qualifying day and one other designated day and time per week. HHANE may negotiate for other training days at an agreed upon rate. However, HHANE understands certain circumstances outside the control of PGR may impact availability or location of such stalls during certain times during this Agreement. Stalls utilized by horses conducting ship-in training must be cleaned by the trainer or trainer's staff. Failure by the applicable Horsemen to clean such stalls may result in loss of ship in training or racing privileges at Plainridge.

Section 12.3 PGR shall have no responsibility for Horsemen's equipment or property during training, racing, stabling or any other use of the premises at Plainridge.

If the parties cannot resolve the controversy or dispute, or cure the alleged breach, to the satisfaction of each party within such thirty (30) day period, either party may elect to proceed to arbitration as described in this Article.

Section 15.2 **Arbitration.** Except as otherwise contemplated by this Agreement, any dispute or controversy arising out of, or relating to this Agreement or any alleged breach of this Agreement not resolved by the parties pursuant to Section 15.1 above, or the exercise of a party's right to terminate this Agreement "for cause" pursuant to Section 16.3 below, shall be settled by arbitration in Boston, Massachusetts by a single arbitrator. Each party shall submit the name of an independent arbitrator to the other; if the parties cannot agree on one of the arbitrators submitted by the parties, then the two arbitrators shall select a third arbitrator, independent of each party, which the parties hereby agree to accept. The arbitration shall administered by the American Arbitration Association ("AAA") under its Commercial Arbitration Rules ("Rules"), subject to the modifications to those Rules concerning economic terms or interests as provided in Section 15.3 below, and judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof, subject to the provisions of the Federal Arbitration Act (9 U.S.C. §§ 1 et seq.).

Section 15.3 **Final Offer Settlement.** Any dispute or controversy concerning the economic terms or interests of the parties hereto shall be subject to arbitration by a final offer settlement procedure. Such arbitration shall proceed under the provisions of Section 15.2 except that each party shall submit to the arbitrator and exchange with the other in advance of the hearing, in accordance with timelines mutually agreed upon or established by the arbitrator, its final offer on the issue along with a written report summarizing the issue and the rationale for that position. Following a hearing conducted pursuant to the Rules, the arbitrator shall make a written award upon the issue limited to only one or the other of the final offers submitted with his or her rationale therefore, and shall not have authority to fashion any other award or remedy on the issue so submitted, except for the shifting of fees, costs and/or expenses as may be permitted under the Rules.

TERMINATION OF THIS AGREEMENT

Section 16.1 PGR may terminate this Agreement upon thirty (30) days written notice to HHANE if PGR's gaming and/or pari-mutuel licenses or permits are repealed, revoked, suspended or otherwise modified by acts of any state or federal legislature, executive, judiciary, or administrative agency and PGR is not permitted to continue conducting (i) casino gaming at Plainridge Park Casino substantially in the manner conducted as of the Effective Date and/or (ii) pari-mutuel wagering at Plainridge or (y) elects not to conduct casino gaming at Plainridge Park Casino or pari-mutuel wagering at Plainridge as a result of such repeal, revocation, suspension or modification; provided, however, that if the PGR's licenses or permits are subsequently restored or reinstated, or if PGR subsequently resumes conducting casino gaming and/or pari-mutuel operations on its premises, the provisions of this Agreement shall be automatically reinstated.

Section 16.2 In the event of a communication (whether oral or in writing) by or from any governmental agency or authority with licensing or regulatory authority over the conduct of gaming or racing by PGR or PGR's affiliates (each a "Gaming Authority") to PGR or any of PGR's affiliates or any other action by a Gaming Authority that indicates that such Gaming Authority may find the association of PGR with HHANE is likely to result in a disciplinary action relating to, or the loss of, inability to renew or failure to obtain, any Gaming License by PGR or any of its affiliates, PGR may suspend or terminate this Agreement, in its sole discretion, by providing written notice of the suspension or termination to HHANE.

Section 16.3 Except as otherwise provided herein, this Agreement may only be terminated early "for cause". A non-breaching party may exercise its right to terminate this Agreement "for cause" by providing written notice to the breaching party, including a detailed explanation of the specific grounds for termination "for cause" (the "**Termination Notice**"). For purposes of this Agreement, grounds for termination "for cause" shall be limited to (i) fraud, (ii) illegal conduct, (iii) a material breach of this agreement, or (iv) willful misconduct only if done or omitted in bad faith, with respect to a party's obligations under this Agreement which results, in each case, in material and demonstrable damage to the other party. In the event a Termination Notice is not cured by the breaching party within thirty (30) days of receiving the Termination Notice, a determination of the applicability of the "for cause" reasons for termination and whether such proposed termination of this Agreement "for cause" is appropriate shall be settled

by arbitration pursuant to Section 15.1 of this Agreement.

EXHIBIT 25

Submit as Exhibit 25 a statement setting forth the reasons why the applicant believes that the dates applied for will be beneficial to the public, the Commonwealth and the applicant.

The commission shall take into consideration, in addition to any other appropriate and pertinent factors, the following: the financial ability of an applicant to operate a race track; the maximization of state revenues; the suitability of racing facilities for operation at the time of the year for which dates are assigned; the circumstance that large groups of spectators require safe and convenient facilities; the interest of members of the public in racing competition honestly managed and of good quality; the necessity of having and maintaining proper physical facilities for racing meetings and the necessity of according fair treatment to the economic interest and investments of those who in good faith have provided and maintain such facilities.

Plainville Gaming and Redevelopment, LLC ("PGR") respectfully submits to the Commission the following information setting forth the reasons why PGR believes that the dates applied for will be beneficial to the public, the Commonwealth and PGR.

PGR is a wholly-owned subsidiary of the publicly traded Penn Entertainment, Inc. (NASDAQ: "Penn") North America's leading provider of integrated entertainment, pari-mutuel horse racing and wagering, sports content, casino gaming and interactive gaming experiences. PENN operates in 27 jurisdictions throughout North America, with a broadly diversified portfolio of casinos, racetracks, and online sports betting and iCasino offerings under well-recognized brands including Hollywood Casino®, L'Auberge®, and theScore BET Sportsbook and Casino®. The Company's portfolio is further bolstered by its industry-leading PENN Play™ customer loyalty program, offering its approximately 34 million members a unique set of rewards and experiences. Penn is the largest operator of pari-mutuel facilities in North America with 10 racetracks in 7 different jurisdictions and also operates three off-track wagering locations and a national Account Deposit Wagering company (Hollywood Races.). Penn's most recent annual report and audited financial statements are submitted as part of this overall application to the Commission.

The approval of PGR's 2027 racing dates will provide a maximization of revenues to the state, horsemen and PGR through the positioning of the racing dates to gain maximum exposure in the national simulcast landscape. In addition, the high visibility and convenient location of Plainridge Park and the continued development of the Class 2 gaming facility provide the potential for greater on-track attendance, which generates additional revenues for the track, horsemen and Commonwealth.

Penn also has a proven track record integrating gaming and racing to maximize revenues for the benefit of states and horsemen. Seven of these facilities (including Plainridge Park) are fully integrated with gaming operations allowing for gaming guests to easily experience the racing action at these facilities. Plainridge Park has fulfilled its mission of generating significant revenues for the entire horse racing industry in the Commonwealth in the Race Horse Development Fund since 2015 that is used for purse funds, enhanced purses and incentives for horse breeders and for pension and other benefits for horsemen racing in Massachusetts.

Plainridge Park is requesting a racing schedule of one hundred and ten (110) racing days, ensures quality racing performances throughout the thirty-three (33) week season by offering three (3) and four (4) day racing weeks. Full racing performances and full fields are the cornerstone of strong fan and patron interest. Quality and competitive racing produces more attractive wagering opportunities for handicappers and captivates fan interest in the sport while at the same time providing fair treatment to the economic interests and investments of the operator.

Plainridge Park is a well maintained, climate-controlled facility that provides comfortable seating and viewing areas for its guests during the proposed 2027 racing season. The current facilities at Plainridge Park are sufficient to accommodate expected attendance and proper security measures are in place to ensure a safe guest experience. Plainridge Park instituted several new marketing initiatives and physical improvements in the racing areas to draw new and diverse audiences to watch and wager on live harness racing.

As a highly regulated company, Penn takes integrity of its product and employees seriously. Penn has extensive internal controls, training and auditing of every operation to ensure compliance and unparalleled integrity and safety. Penn has brought those best practices to Plainridge Park. The company faces regular licensing in 27 different jurisdictions from multiple governmental authorities and understands the need for proactive and continual focus on integrity and compliance related items.

Penn has extensive experience in the maintenance of physical racing facilities and racing surfaces in year-round weather and operating conditions. Penn has brought the best practices from its other racing facilities to benefit the operations at Plainridge Park. Over the past several years significant improvements to the racing paddock, ship in barns and track equipment have been undertaken by Plainridge Park. Each year Plainridge provides documentation of a third-party inspection of its track surface to the MGC with every report confirming a safe, fair and consistent racing surface and maintenance plan.

Penn is a nationally respected operator of gaming and racing operations and has a strong commitment to its employees, horsemen and the communities in which it operates. Maintaining a strong racing industry in the Commonwealth has not only direct benefits for the racetrack, but a significant indirect impact on agri-business and open space, equine related vendors and suppliers as well as ancillary benefits to Massachusetts vendors that do business with horsemen throughout the state and region. Penn and the local horsemen's organization, Harness Horsemen's Association of New England (HHANE) have enjoyed a successful and mutually beneficial relationship as evidenced with their current live racing agreement extending through the end of 2032.

EXHIBIT 29

Include as Exhibit 29 a request for authorization for a system of account wagering in accordance with 205 CMR 6.20: General Account Wagering. The request shall include information related to any planned, non-monetary, incentive programs and account security plans. If a service provider is used, include copies of any and all agreements between the service provider and the applicant regarding the services to be provided by the service provider to the applicant in respect to the applicant's account wagering operations

In accordance with 205 CMR 6.20, Plainville Gaming and Redevelopment, LLC ("PGR"), d/b/a Plainridge Park Casino ("Plainridge"), requests through this harness racing license application for 2026, authorization from the Massachusetts Gaming Commission ("MGC") to offer account wagering in 2026. PGR has contracted with PENN ADW, LLC, ("PENN") a licensee of the MGC, to operate account wagering under the d/b/a *Hollywood Races* (agreement previously attached). Account wagering offered by Plainridge dates to its "WinLine" System originally approved by the Massachusetts State Racing Commission on April 3, 2002.

PENN has contracted with eBet Technologies ("eBet"), a licensee of the MGC, to provide all technical and wagering platform services for *Hollywood Races* to on and off-track customers of Plainridge accessible via the website, www.hollywoodraces.com and through a mobile app (available on both iOS and Andriod systems).

In 2025, Massachusetts account holders registered with *Hollywood Races* wagered nearly [REDACTED], representing approximately [REDACTED] of the total live and simulcast handle for PRG during the year.

Since 2016, pari-mutuel wagering on-track at Plainridge and through *Hollywood Races* has been combined with *PENNPlay* the Plainridge Park Casino customer rewards program with points earned for redemption of food and beverage offerings at the racetrack/casino and for racing related handicapping information (programs, etc.).
