Qualifiers in Accordance with 205 CMR 116.00

As of 3/12/2014

This list is periodically updated in accordance with 205 CMR 116.00 and is only an accurate representation of the IEB's qualifier determinations as of the date specified above. In order to properly and fully analyze the circumstances surrounding qualification, the IEB's qualifier determinations may lag behind the occurrence of facts leading to qualification or lack of qualification. The list is not updated to reflect additional qualifiers to applicants already found suitable.
