(i) If a player has the highest ranking poker hand, a percentage commission of no more than ten percent or a fixed dollar amount, pre-established by the gaming licensee, whichever is less, shall be deducted from the pot and placed in the table inventory container; or

(ii) If the highest ranking poker hand is a tie hand, each player and/or the dealer holding a tie hand shall share the winner's pot equally, except that a percentage commission of no more than ten percent or a fixed dollar amount, pre-established by the gaming licensee, whichever is less, shall be deducted from that portion of the pot not awarded to the dealer and placed in the table inventory container.

(i) After the winner's pot has been awarded in accordance with (h) above, the dealer shall immediately collect the cards of all remaining players and the dealer and place them in the discard rack. All cards collected by the dealer shall be picked up in order and placed in the discard rack in such a way that they can be readily arranged to reconstruct each hand in the event of a question or dispute.
